Make a Connection with JESUS

We offer a vibrant and growing youth ministry for our tweens and teens in grades 6th, 7th, and 8th. We continue to build our program and will be filled with community building activities, faith formation, and small group discussion that will challenge their faith and to live it boldly so they can deepen their love and relationship with Jesus.

Committee's purpose, mission, or vision:

Our mission is to serve as a fun and safe environment in which participants can share and grow in their faith. We want to create an opportunity for our youth to grow spiritually as they mature in age so they can grow closure in their relationship with God's love and use their gifts to lead and mentor their peers.

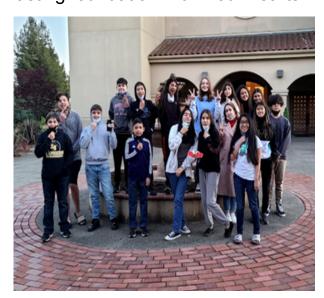

Meeting dates & times:

Meeting Dates are TBD

Why are we an important part of the church community? How do we serve others?

As the future of today we are an important part of the Parish community because we serve our parish families and as we grow in our faith we will serve other ministries and help build a long lasting foundation within our hearts.

"Let no one regard you with contempt because of your youth, but serve as an example to the believers in your speech and conduct, in your love, your faith, and your purity."

1 Timothy 4:12

We are so pleased that St Elizabeth Seton Church continues to bring new programs into our Junior Youth Group and now has started a Peer Ministry Group to help lead meetings and Parish Events. A beautiful way to develop our youth's leadership skills and voice.
